Marketing Strategy | *Competitive Analysis* | *Consumer Insights*

EDUCATION

Kelley School of Business, Indiana University Bloomington, IN | May 2026

B.S. in Business | Major: Marketing | Co-Major: Digital & Social Media Business Applications | Dean's Scholarship ($12K)

Coursework: Digital Marketing, Brand Management, Analysis of Marketing Data, CRM, Consumer Behavior

EXPERIENCE

Zensar Technologies | Digital Marketing Intern Remote | Jun 2026 – Present

- Ran 15+ AI search visibility audits for enterprise brands across banking and financial services, tech/media/telecom, healthcare and life sciences, and manufacturing and consumer services
- Benchmarked each brand's visibility, citation sources, and prompt-level gaps against competitors, configuring prompts, competitor sets, and product clusters to match how buyers search
- Turned findings into pitch decks and insight documents with prioritized recommendations for CMO and COO audiences
- Demoed and pitched Zensar's AI Visibility Intelligence platform to prospects, tailoring each story to the brand's gaps

IU K+M Collective | Student Consultant & Team Leader Bloomington, IN | Jan – May 2026

- Led a six-person team as primary contact for Sculoo, EdTechQuest's leadership app for kids, assigning work by skill set
- Designed Sculoo's full-funnel launch strategy and coordinated the team's analytics and CRM tracking for post-launch results
- Led website design in Figma and built client presentations in Canva ahead of Sculoo's 2026 market launch

TikTok & Instagram | Creator & Brand Partner Remote | Mar 2020 – Present

- Grew 54K followers and 3M+ likes, earning paid deals with Hoppy, Topi, Suno, and Hollister (190K+ sponsored views)
- Turned brand briefs into content concepts, testing hooks, audio, and formats against engagement and watch-through data

LineLeap | Campus Promoter Remote | Oct 2025 – Feb 2026

- Won Top Promoter and a flash-sale contest, driving 481 promo-link clicks that converted at ~21% into 100 tickets ($3K)
- Targeted 21+ juniors and seniors through campus networks and Instagram Stories, adjusting posts based on view data
- Designed promo creative and timed pushes for campus events (Hot Dog Hop, Banana Bar Crawl) around peak traffic

Sompo International New York, NY

Financial Planning & Analysis / Financial Accounting Intern Jun – Aug 2025

- Built analyses and recommendations for business unit leaders, turning financial reporting into executive PowerPoint decks
- Ran quarterly budget-vs-actual variance analysis, updated Excel forecasts, and supported month-end close
- Presented a capstone on FP&A best practices to 50+ finance leaders, earning executive recognition

Finance & IT Asset Management Intern Jun – Aug 2024

- Supported a $110M+ IT budget using Excel for forecasting and data cleanup
- Built a quality control process for 150+ software and contractor invoices, improving approval accuracy and turnaround
- Built Excel trackers that IT managers used to review software spend and flag cost savings

LEADERSHIP

Beta Chi Theta | VP of External Relations (2025) | Social & Philanthropy Chair (2023 – 2024) Bloomington, IN

- Led four committee chairs across 30+ events a year and co-organized the national conference (150+ attendees)
- Created all organic Instagram promo for events using engagement data, driving $3K+ revenue and $2K profit from a mixer
- Led philanthropy for a men's mental health fundraiser, breast cancer research, and Hoosier Hills Food Bank, raising $350+
