EXPERIENCE

Zensar Technologies | Digital Marketing Intern

Remote | Jun 2026 – Present

- Ran 15+ AI search visibility audits for enterprise prospects across banking and financial services, tech/media/telecom, healthcare and life sciences, and manufacturing and consumer services
- Turned each audit into strategy for CMO- and COO-level audiences: pitch decks and insight documents with prioritized recommendations, or targeted outreach slides and emails
- Demoed and pitched Zensar's AI Visibility Intelligence platform to prospective clients, tailoring each story to the brand's category, competitors, and visibility gaps
- Configured the platform for each brand (prompts, competitor sets, product clusters) and tracked how AI models cite brands to sharpen recommendations

IU K+M Collective | Student Consultant & Team Leader

Bloomington, IN | Jan – May 2026

- Led a six-person consulting team as primary contact for Sculoo, EdTechQuest's leadership app for elementary students, assigning work by skill set across two project phases
- Designed Sculoo's full-funnel launch strategy, setting up Google Analytics and HubSpot tracking so the client could measure results after going to market
- Led website design in Figma and built client presentations in Canva ahead of Sculoo's 2026 market launch

TikTok & Instagram | Creator & Brand Partner

Remote | Mar 2020 – Present

- Grew an audience of 54K followers and 3M+ likes, and earned paid partnerships with Hoppy, Topi, Suno, and a year-long Hollister creator program, driving 190K+ sponsored views
- Turned brand briefs into content concepts, testing hooks, audio, and formats against engagement and watch-through data

LineLeap | Campus Promoter

Remote | Oct 2025 – Feb 2026

- Won Top Promoter and a flash-sale contest for the Banana Bar Crawl, running targeted digital ads (481 clicks) that sold 100 tickets and generated \$3K in revenue
- Designed promo creative and timed pushes for campus events (Hot Dog Hop, Banana Bar Crawl) around peak student traffic

Sompo International

New York, NY

Financial Planning & Analysis / Financial Accounting Intern

Jun – Aug 2025

- Built analyses and recommendations for business unit leaders, turning complex financial reporting into executive PowerPoint decks
- Presented a capstone on FP&A best practices to 50+ finance leaders, earning executive recognition

Finance & IT Asset Management Intern

Jun – Aug 2024

- Supported a \$110M+ IT budget using Excel for forecasting and data cleanup
- Built a quality control process for 150+ software and contractor invoices, improving approval accuracy and turnaround

LEADERSHIP

Beta Chi Theta | VP of External Relations (2025) | Social & Philanthropy Chair (2023 – 2024)

Bloomington, IN

- Led four committee chairs across 30+ events a year and co-organized the national conference (150+ attendees)
- Used engagement data and paid Instagram ads to promote events, generating \$3K+ in chapter revenue plus \$2K profit from a single mixer
- Planned a men's mental health awareness fundraiser and led philanthropy for breast cancer research and Hoosier Hills Food Bank, raising \$350+
